

REMARKS

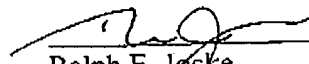

All pending claims (claims 17-20) have been allowed. Claim 17 was previously amended by Examiner's amendment. However, the term "data store" appears to have been inadvertently changed to "data storage." Although the term "data storage" does not change the scope of the claim, the term is not used in the Specification. Rather the Specification refers to a "data store"(34) throughout the Specification (e.g. Figure 1 and paragraph [0039]).

Entry of the amendment is respectfully requested. The amendment merely embodies the correction of formal matters without changing the scope of the claims. The amendment requires no substantial amount of additional work on the part of the Office.

Conclusion

Entry of the amendment after allowance is respectfully requested.

Respectfully submitted,
